

This exploded view diagram illustrates the components of the VUE A lighting fixture. The main body (1) is shown with various mounting and adjustment parts (2-16, 20-23, 25-28, 33-35, 37-40, 42, 44, 45). The fixture is designed to hold three light sources (41), which are shown in a separate view. The diagram also includes three decorative glass panels (17, 18, 19) and a mounting bracket (46). The components are numbered 1 through 46, with some numbers appearing multiple times to indicate different instances of the same part.
