

VUE A

VUE B

This exploded view diagram illustrates the components of a refrigerator's evaporator assembly. The parts are numbered as follows:

- 1:** A small rectangular mounting bracket or clip.
- 2:** A small circular cap or plug.
- 3:** A small rectangular component, possibly a sensor or control module.
- 4:** A small electronic control board with multiple pins.
- 5:** The main evaporator coil, shown as a series of horizontal, wavy tubes.
- 6:** A small rectangular component, likely a fan motor or control module, positioned near the coil.
- 7:** A large, rectangular evaporator panel or housing.
- 8:** A cylindrical component, possibly a fan motor or a capacitor, mounted on a bracket.
- 9:** A small rectangular component, possibly a sensor or control module, mounted on a bracket.
